

Demonstration Review

April, 2019

Wanderlust

No worries, just caring about the trip itself

England

Our first Demo

As the British saying goes, It is better to travel
hopefully than to arrive

01

The cloud accounts

The cloud accounts supported, which means you can store your preference at anytime

02

Recommender system

No preferred cities to go?
We have the best recommender system for you

03

Store your result

After getting your route, it is free to store the result in your mobile phone

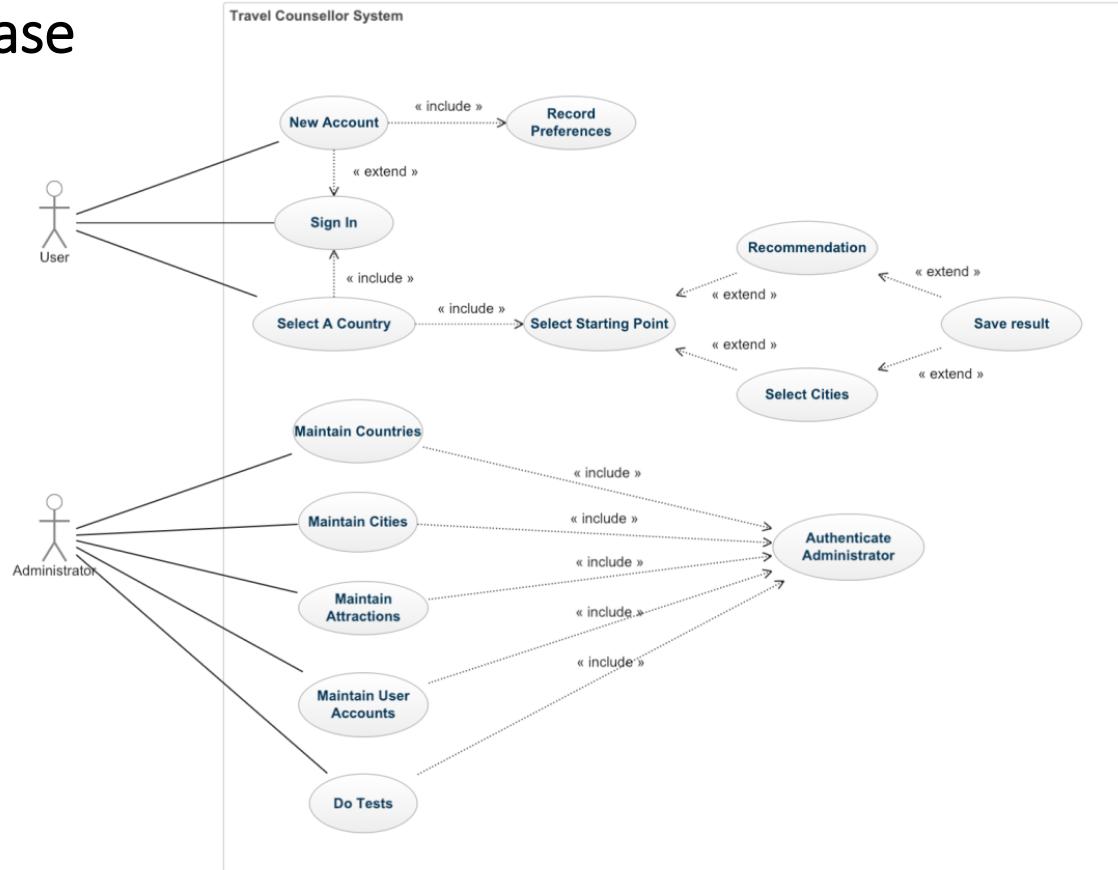

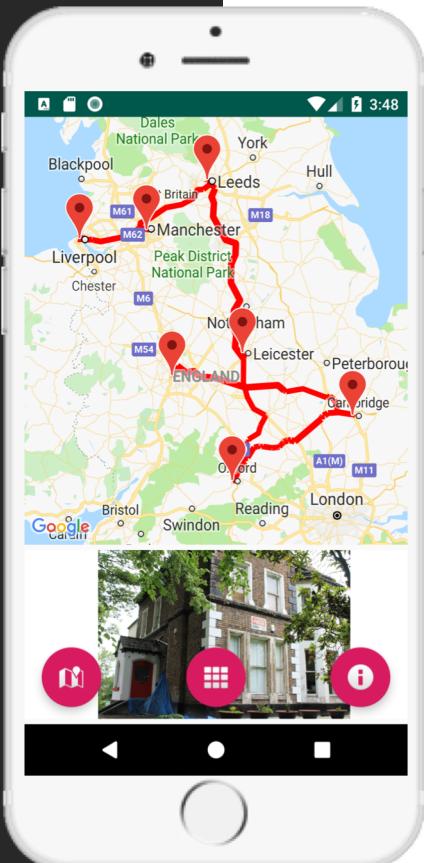

Installing the APP

Registration and login

Travel planning
